ABOUT MYSELF

A flexible person with strong leadership qualities who believes in setting high standards of performance for himself/organization and who has been effective both as an individual and as a team. I'll also call myself as a very balanced person - one who has been able to harmonize both personal and professional life. Capable to manage multiple assignments while working in a fast paced environment which involves strong strategic and evaluative thinking. My value-add to the potential employer is that I can understand the knowledge problems faced in organizations and easily bridge it with a suitable technology enabler.

PROFILE SUMMARY
